

[Midi Guitar Vst Crack Site](#)

The screenshot displays the MODOBASS software interface. At the top, there's a title bar with "My Bass*" on the left and "MODOBASS" on the right, along with "SAVE", "SAVE AS", and "DELETE" buttons. Below the title bar is a row of ten guitar models: Devil Bass, Bass Man 5, Rick n' Bass, Studio Bass, Violin Bass, Thunder Bass, Japan Bass, Flame Bass, Imperial Bass (highlighted in yellow), and Metal Bass. Below the models are tabs for "Model", "Play Style", "Strings", "Electronics", "Amp / Fx", and "Control".

The main area shows a detailed view of the "Imperial Bass" model. A yellow arrow points to the neck length, labeled "4.32\"". A large green arrow points from the guitar body down to a MIDI keyboard. The keyboard has labels C0, C1, C2, C3, C4, C5, C6, and C7. A "Muting 0%" indicator is visible on the right side of the guitar.

Specifications
